1. Introduction & Background

Frontier Local School District is in need of a qualified contractor to renovate the Frontier High School football bleachers and is accepting proposals in response to this Request for Proposals (RFP). Our goal is to restore and maintain the structural integrity of the bleachers.

The objective of this Request for Proposal is to locate a source that will provide the best overall value to Frontier Local School District. While price is a significant factor, other criteria will also be considered to form the basis of our award decision, as more fully described in the Evaluation Factors section below.

2. Submission Guidelines & Requirements

Sealed proposals will be accepted by the Board of Education of the Frontier Local School District at the Office of the Treasurer, 44870 SR 7, New Matamoras, Ohio 45767 until 12:00 p.m. noon, EST, Friday, March 9, 2018 and at that time opened by Treasurer of said Board for the renovation of the Frontier High School football bleachers. All bids must include a bid guarantee.

Instructions to bidders and specifications can be found and accessed under District News on the District's website at [www.frontierlocalschools.com](http://www.frontierlocalschools.com). The Board of Education reserves the right to reject any and all bids. By order of the Board of Education.

3. Project Description/Scope

The successful bidder will be responsible for supplying all labor, material and equipment as needed to:

- a. Remove all existing paint from structural steel by means of wet sand blast, minimum of 4000psi pressure wash incorporating blast media into water. Blast media and removed paint must be contained and disposed of properly. Should lead based paint be found in bidding process, notify School officials and adjust your pricing accordingly.
- b. Coating System: Apply an epoxy primer to all structural steel including hand railing. After repairs are made to the structure, spot prime repaired areas. Apply two coats of a two part water based urethane designed for structural steel. Finish color to be determined.
- c. After final finish coat, spread a minimum 2" layer of crushed limestone under the bleacher structure.

The successful bidder shall clean-up the work area daily prior to leaving the work site.

#### 4. RFP & Project Timeline

Request for Proposal Issuance	02/20/2018
Request for Proposal Due	03/09/2018
Contract Award / Notification to Unsuccessful Bidders	04/23/2018

The need-date for project completion is July 31, 2018. Bidders may propose a date earlier or later, and will be evaluated accordingly.

#### 5. Budget

Frontier School District's budget for the project is \$75,000.

#### 6. Evaluation Factors

- a. Responsiveness to requirements of RFP
- b. Cost
- c. Relevant past performance/experience
- d. Technical expertise of bidder

The Frontier Local School District Board of Education reserves the right to award to the bidder that presents the best value to the District as determined solely by the District at its discretion. The Board also reserves the right to reject any and all bids.
