Parents,

August 7, 2020

During the week of August 17, the district will be releasing some videos for students and parents to view to help everyone prepare for this school year. In order for students and parents to watch these videos, we will be issuing Chromebooks to necessitate this. All distribution will be done at Frontier High and Middle School.

Chromebooks for all FHMS students in grades 7 through 12 will be distributed the week of August 10th. This year we will also be issuing Chromebooks to 6th grade students at NES and MES to take home for the school year. The distribution days, times, and location for all district students in grades 6 through 12 are listed below.

Monday, August 10, from 9 am until 7 pm at FHMS.

Tuesday, August 11, from 9 am until 7 pm FHMS.

Wednesday, August 12, from 9 am until 7 pm at FHMS.

Thursday, August 13, from 9 am until 7 pm at FHMS.

Friday, August 14, from 9 am until 7 pm at FHMS.

If you have a student at FHMS and there is a sibling in Kindergarten through 5th grade at either elementary school, we will not be issuing a second Chromebook. If you only have students in Kindergarten through 5th grade at NES or MES and do not have a personal device at home, such as a desktop computer, laptop computer, Chromebook, or tablet, we will issue you a Chromebook for the duration of the week. These situations will be handled on a case-by-case basis. If this situation applies to you, please contact Bruce Cassady at 740 865 3473 extension 2162 or at bcassady@frontierlocalschools.com.

When arriving at Frontier High and Middle School main entrance, please use social distancing and wear masks. If someone is at the door, please remain in your car until that person is finished. A staff member will meet you at the lobby door and take your information and return with the appropriate Chromebook and the documentation that will need to be signed before you can take the Chromebook.
